Q1: Who should use this roadmap?

A: Team members. Because of your limited time to do this course, you can choose what will be ideal for your learning experience.

A: Administrators and educators. Because guiding your team to key topics and activities will improve their learning experience and outcomes.

Q2: Why use this roadmap?

A: To help you make the most of your time

A: To support your learning by helping you pick key topics and activities relevant to LTC

The PREP LTC sections 1 - 3 were made for LTC team members like you.

The PEP modules 1 - 7 were made for all kinds of healthcare preceptors and students.

To focus your time, the grey bars highlight key topics and activities in the PEP modules that are useful for **LTC practice**.

Use these suggestions to choose the activities that you think will help you the most. It is more important for you to concentrate on essential learning than to complete everything.

Q3: How do you use it?

A: Start at the top with the PREP LTC sections, then work your way down the page.

Have this roadmap ready as you begin the eLearning.

Start at the top at the orange circle. Follow the arrow down the page and do each module step-by-step.

First, do all 3 PREP LTC sections.

Then, do PEP modules 1 - 7. Read the grey bars to focus on key topics and activities.

Q4: How will I know I am done? Where is my certificate?

A: After completing the survey at the end of the PEP modules, you will receive a certificate of completion that you can print or save.
